Member Feedback: The staff truly works for the clientele. They are nice considerate and accommodating. The team continues to serve the facility well. I've said it before but this is just a good group of people. Happy to be a part of the family wellness family.

Member Feedback: Such a great variety of ways to exercise...the walking track is great...low impact. The pool/hot tub area is roomy, clean and accommodates many at a time. Locker rooms are clean and roomy. Many exercise and health classes to choose from and the work-out area has a wonderful selection of machines. Staff is friendly and helpful.

Member Feedback: Such a nice facility. Staff is amazing!

Member Feedback: Friendly staff, great variety of equipment in good working condition, classes of various types with great instructors, always clean and well maintained.

Member Feedback: Equipment and the staff. The staff's focus is on you, the customer. How they can help improve your health, they take time to show you how the use the various machines. They are always helpful

Member Feedback: Friendly, good choices of classes with quality instructors and fair price.

Member Feedback: Staff is always friendly. Facility and equipment is well maintained and clean. I really enjoy the walking track. I great place to enjoy several hours within a wonderful environment. Especially in a hot humid day or during any winter day in ND.

Member Feedback: I enjoy the friendly and helpful staff as well as the cleanliness of the facility.

Member Feedback: Friendly courteous employees. Offers classes that work well for my schedule with excellent instructors.

Member Feedback: Been going to Wellness Center for years like all classes available. Trainers are good and equipment is very nice. Employees at front desk are friendly. And the gals that teach the classes are great!
