

## POOL PARTY RENTAL RULES

Family Wellness is excited to be working with you for your event! In order to make the rental process as easy as possible please follow these simple steps.

1. Pool birthday parties are two hours, consisting of 1 hour in the pool and 1 hour in the party room. (The private party room is available for the full two hours - pool access includes the activity pool and 1 designated lap lane.) The pool remains open to other members during your party (this is not a private pool rental).
2. When you arrive for your rental please stop by the front desk and notify them that you are here for the room/party rental. All rentals are allowed into the rental space at the start time of their rental. If our facility is available and staff are ready, we may be able to allow early set up. The earliest that you may be able to access the room is 15 minutes prior to the start of your rental. If you arrive early and the space is not ready yet, please wait in the lobby until it is ready.
3. Any use of rental area after designated time will be charged \$25/half hour that party remains in Family Wellness facility.
4. You are welcome to play music, videos, or other technology, please just keep the sound at an appropriate level.
5. General clean-up is required prior to leaving rental area. If rental area needs cleaning, an additional \$20.00 fee will be charged prior to leaving the area. If there are any damages to Family Wellness property an additional fee will be charged based on the damages.
6. Rental fee covers up to 10 children in the pool with 2-3 adults supervising in the pool for each party. (\$5 per additional child - If you do go above the 10 children max, you may be asked for additional adults in the pool area to supervise your party.)
